

Weddings at the Gardens

Thank you for your interest in Mendocino Coast Botanical Gardens for your upcoming wedding. July, August, September, and October are the Gardens busiest months due to our mild coastal weather and the gorgeous blooms in the Gardens. However, we can have beautiful weather year-round and there is always something in bloom in our 47-acre garden by the sea.

Exchange vows surrounded by dramatic dahlias; enjoy an afternoon of festivities on the Event Lawn, or say “I do” on a bluff overlooking the Pacific... Our Gardens can be where all your wedding daydreams come true! We encourage you to take a self-guided tour of the Gardens and discover each of the sites available for your wedding ceremony.

All of our event sites are available seven days a week—the time of day that each site is available varies by location. While we do our best to accommodate all requests, please note that some dates, times and spaces may not be available due to numerous factors. All occasions at the Gardens include complimentary admission for up to 100 guests for the duration of your event. So that you can continue making memories at the Gardens... all of our couples receive a complimentary one-year Household Membership.

Please keep in mind that the Gardens is a venue only—we do not provide event coordination, catering, chairs, tents, linens, etc. The Gardens is available for wedding ceremonies only. We do not offer receptions. There are many wonderful reception sites on the Mendocino Coast, and we recommend working with a local wedding planner to find a reception site that best suits your needs.
