

Weddings at the Gardens

Thank you for your interest in Mendocino Coast Botanical Gardens for your upcoming wedding. July, August, September, and October are the Gardens busiest months due to our mild coastal weather and the gorgeous blooms in the Gardens. However, we can have beautiful weather year round and there is always something in bloom in our 47-acre garden by the sea.

Exchange your vows surrounded by dramatic dahlias, enjoy an elegant affair swaying under the stars on the Event Lawn, or say "I do" on a bluff overlooking the Pacific... Our Gardens can be where all your wedding day dreams come true! We encourage you to take a self-guided tour of the Gardens and discover each of the eight venues available for a wedding ceremony or reception.

All of our event sites are available seven days a week—the time of day that each site is available varies by location. While we do our best to accommodate all requests, please note that some dates, times and spaces may not be available due to numerous factors. All occasions at the Gardens include complimentary admission and parking (up to 150 cars) for all guests for the duration of your event. A mobility scooter can be made available to help your guests in need of walking assistance reach your celebration with ease. So that you can continue making memories at the Gardens... all of our couples receive a complimentary one-year Household Membership.

Please keep in mind that the Gardens is a venue only—we do not provide event coordination, catering, chairs, tents, linens, etc. (with the exception of our Winter Wonderland Package, see more information on page 7). To ensure that you and your guests have the best possible experience, we have found it useful to have you work with an event coordinator. This is a requirement for having a wedding ceremony or reception at the Gardens.
